Final Note by the First Member of Council.

Subject:—

The desirability of permitting the Munsiff of Seringapatam to continue to reside in Mysore until further orders.

---

13) Owing to want of suitable accomodation and also to the reported prevalence of Cholera in Seringapatam, Mr. A.K. Sreenivasa Raghavachar, Munsiff of Seringapatam, was, in June 1913, permitted to live in Mysore till the end of December 1913. During the inspection of the Court by me in October 1913, I noticed that the Munsiff had closed Court at about 1 P.M. and left for Mysore by train, and considered that the Munsiff should remain in the town as otherwise the work was sure to suffer more or less. But on the recommendation of the Chief Court, the Munsiff has been permitted to reside till now though they considered that it was not expedient to allow the Munsiff to remain out of his jurisdiction indefinitely. On the representation of of the District Judge that no inconvenience is caused to the public and the work of the Court suffers in no way by the Munsiff living in Mysore, the Chief Court have now permitted the Munsiff to live in Mysore till further orders.

14) I do not agree that the work will not suffer. Either the Court should be shifted elsewhere or the Munsiff should reside there.

15) The Dewan also is of opinion that the daily journeys, to and from, will take away much of the time and energy of the officer and that there will be a tendency to go to Court late and return early.

Under these circumstances it is for consideration if corresponding reduction of charges cannot be effected in ~~each~~ some other Courts. The work which these ~~Benches~~ Courts will do is not expected to be large and it is inexpedient to incur Extra Expr of an avoidable kind on this ~~kind~~ account. This course would be financially acceptable and may perhaps be adopted as the necessary Establishment transferred from the Taluk Cutcherry. As the work is ~~small~~ ~~little~~ not much, the Establishment will have to work in these Courts for only a short time & will be available for work in their Offices during ~~the major portion of the day~~ ~~other time~~ at other times.

33) The initial Exp^r proposed of 200 per cent seems to be high. And as four months of the Year are already past, Specific reappropriation should be suggested for the extra Exp^r.

Submitted to His Highness.

The District Magistrates concerned have now submitted proposals regarding the names of gentlemen to be selected as Magistrates and the establishments, etc., required to give effect to the scheme.

3. It is also proposed to sanction an establishment consisting of one clerk on Rs.25/- and one peon on Rs.8/- per mensem, with a contingent grant of Rs.24/- per annum, for each of these courts. The purchase of furniture is estimated to cost Rs.200 for each court.

4. The Financial Secretary suggests that a reduction might be effected in the establishment charges by the transfer of a clerk from each of the Taluk Magistrates' courts which are likely to get some relief. Additional establishment charges have been allowed for the Benches constituted at Bangalore and Mysore and it seems necessary to sanction a separate establishment for the new courts also. On days on which the clerk has no work, he will be asked to work in the District Magistrate's office. The establishment will be temporary.

Pages 11-12 of Accounts.

5. I solicit His Highness's approval to the proposals which are agreed to by the First Member.
